

Registration to the CVCT Forum live webcast

Dear Online attendee,

We are pleased to send you the information about the registration process for the webcast during the **8th CardioVascular Clinical Trialist Forum (CVCT Forum) December 2 &3, 2011**.

The streaming will take place for the sessions in the **Baccarat room**, please take a look at the program <http://www.globalcvctforum.com>

To view the webcast, please connect to the following link www.cvct-forum-webcast.com.

Enter your general login and password:

| | |
|-----------------|---------|
| Login | ISCP |
| Password | qpsifhd |

Each participant will have to register to receive a personalized login and password on his/her emails address.

After this registration process, you will be automatically redirected to www.cvct-forum-webcast.com,

Please click then on "**Already registered**" and then click on '**LIVE**'

There will be a possibility to submit questions directly live and a moderator/Co-chairperson will choose among these questions during the conference.

Please connect or register latest a few minutes before the conferences start in order to be sure not to miss the beginning.

What do you need to connect?

- PC with a broadband connection (DSL)
- Current web browser
- Sound Card
- Flash player (you can download it directly before connecting)
- Connection from Ipad and Iphone available as well

During the webcast, if you don't hear or see the video, please click on the help button for reporting any issue.
